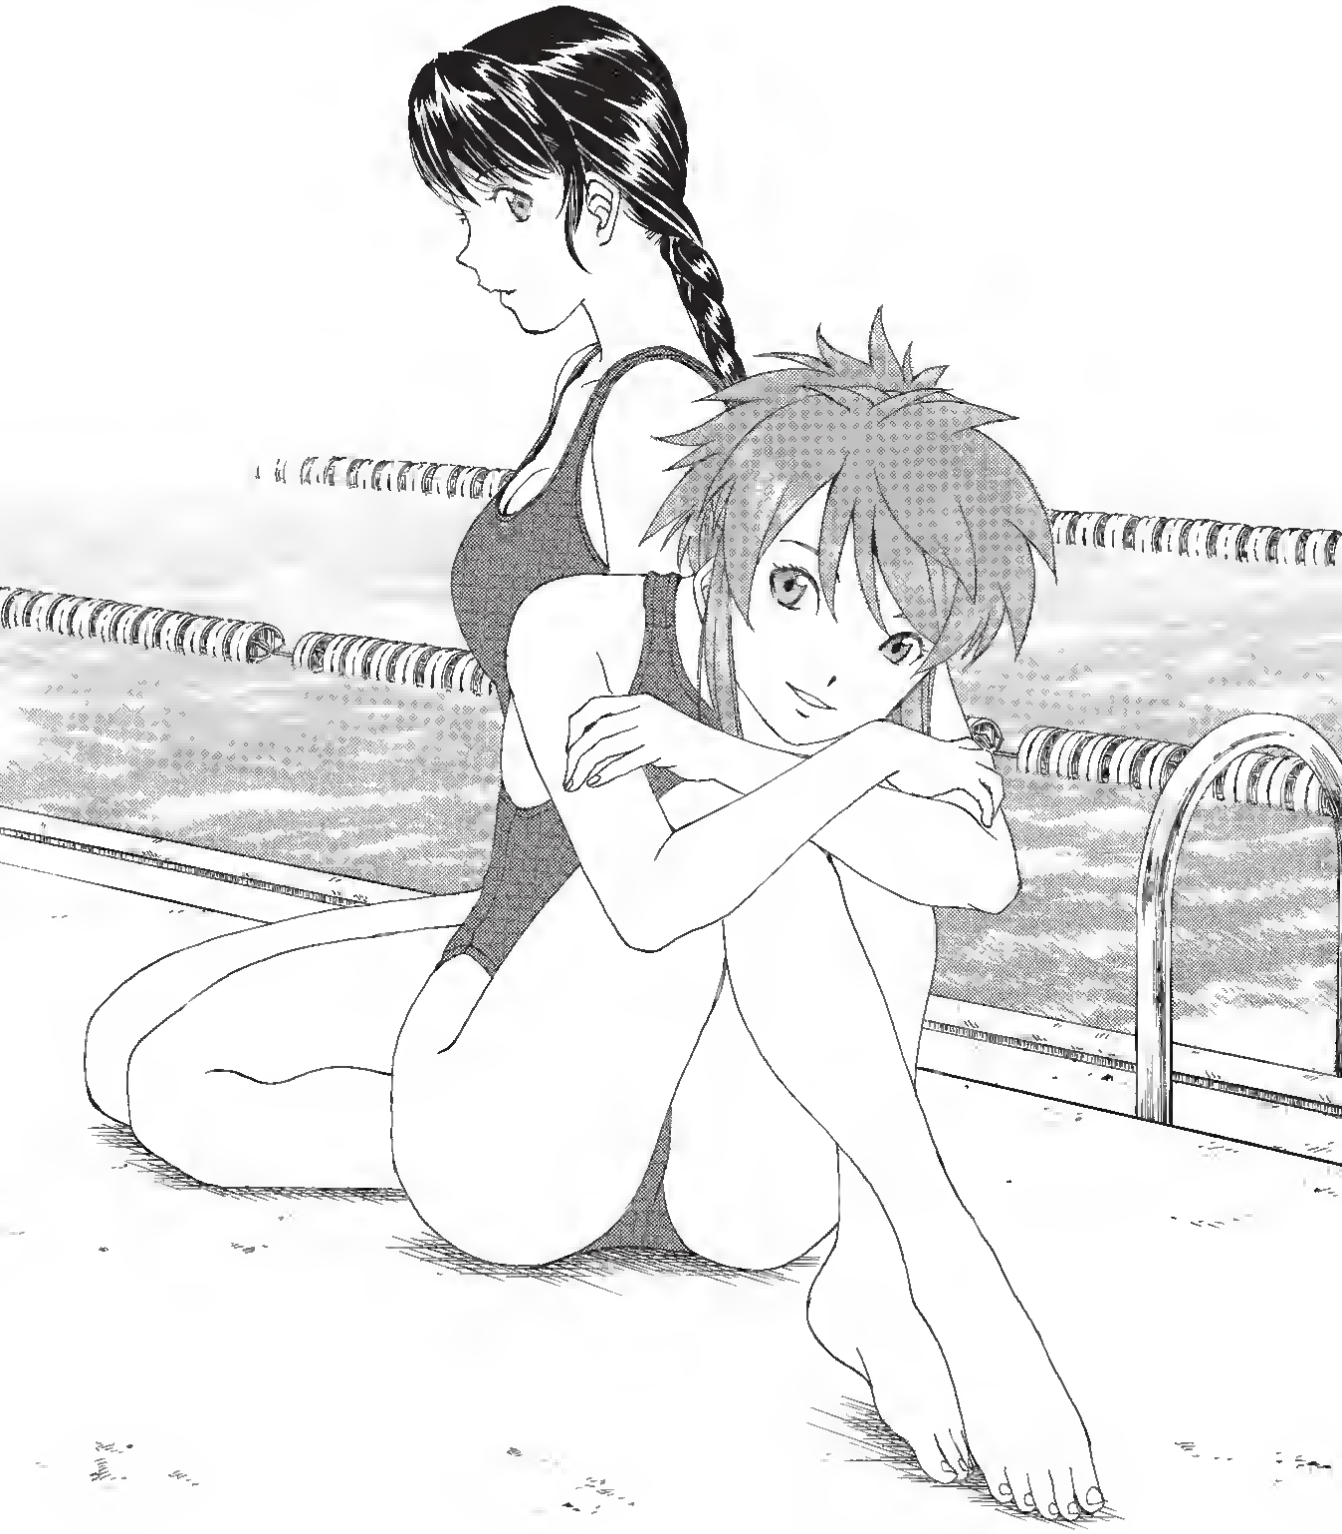
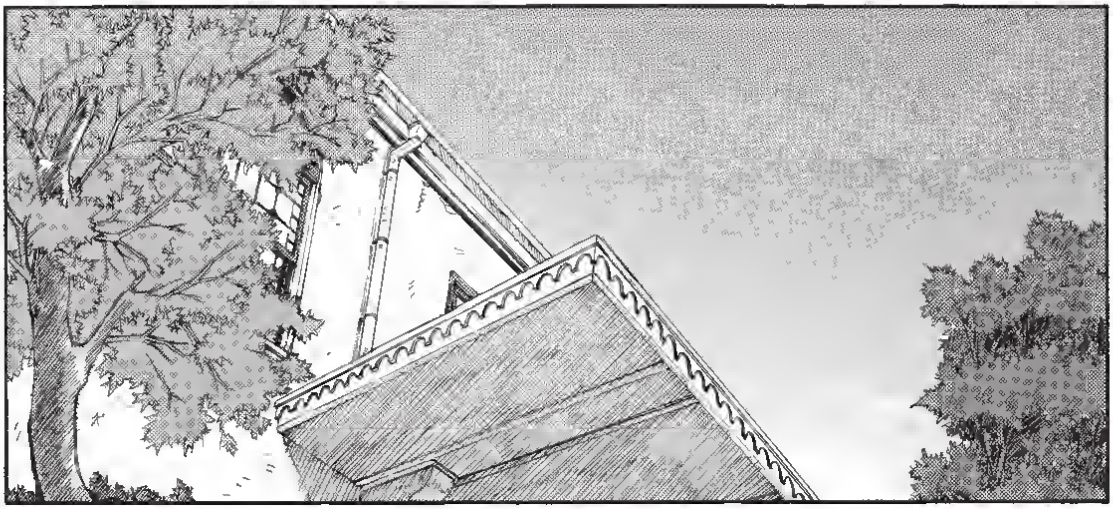
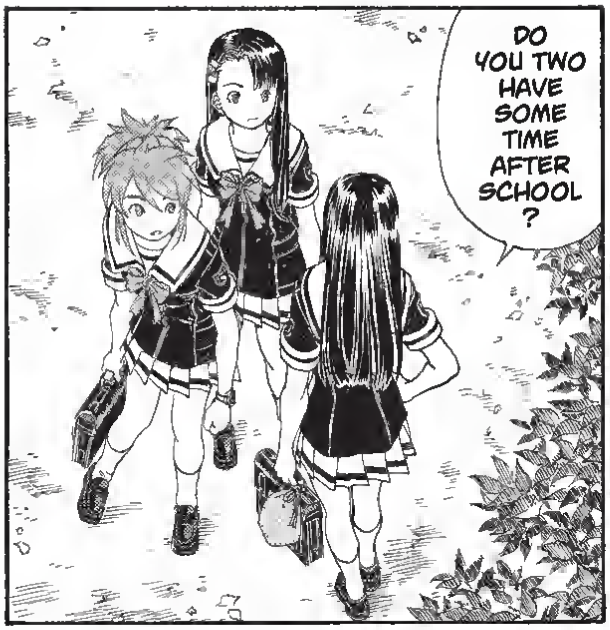
THE TYPHOON PASSES



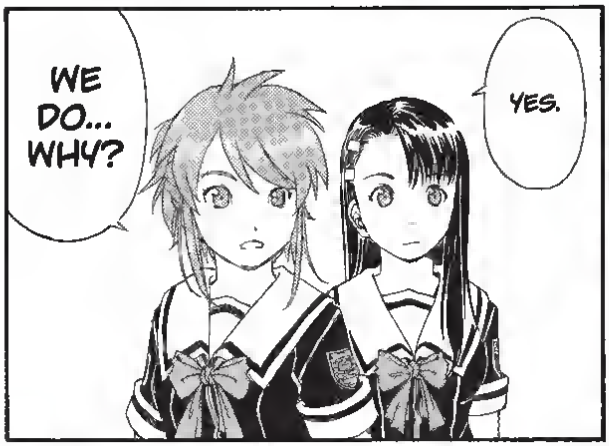


I DIDN'T KNOW THAT STORMS LAUGHED.
AHH, THE LULL AFTER THE STORM !!

WHAT ?!
NOT "LAUGHTER."
NO, I SAID "LULL AFTER."
THAT'S NOT THE ISSUE HERE.
I DIDN'T REALIZE LAUGHTER WAS TWO SEPARATE WORDS.
HA HA HA!
IT REFERS TO A CALM PERIOD THAT ARRIVES SWIFTLY AFTER THE END OF A TYPHOON.
NO, THE "LULL," L-U-L-L.

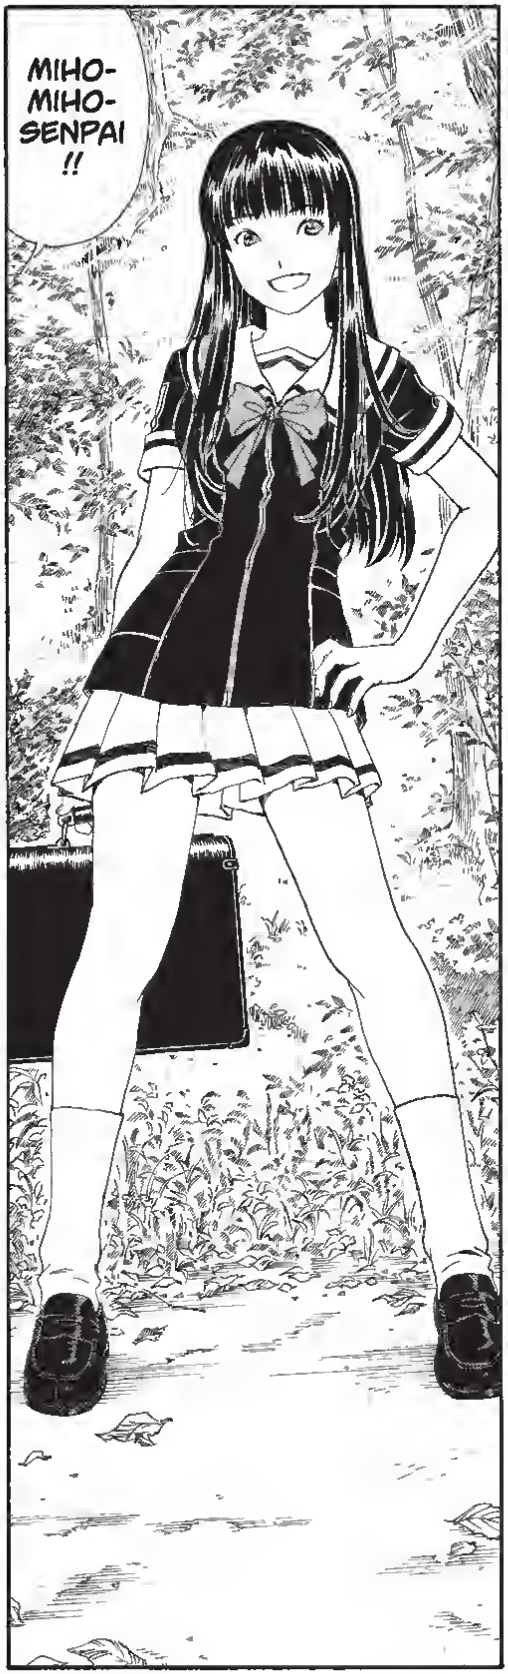


DO YOU TWO HAVE SOME TIME AFTER SCHOOL?

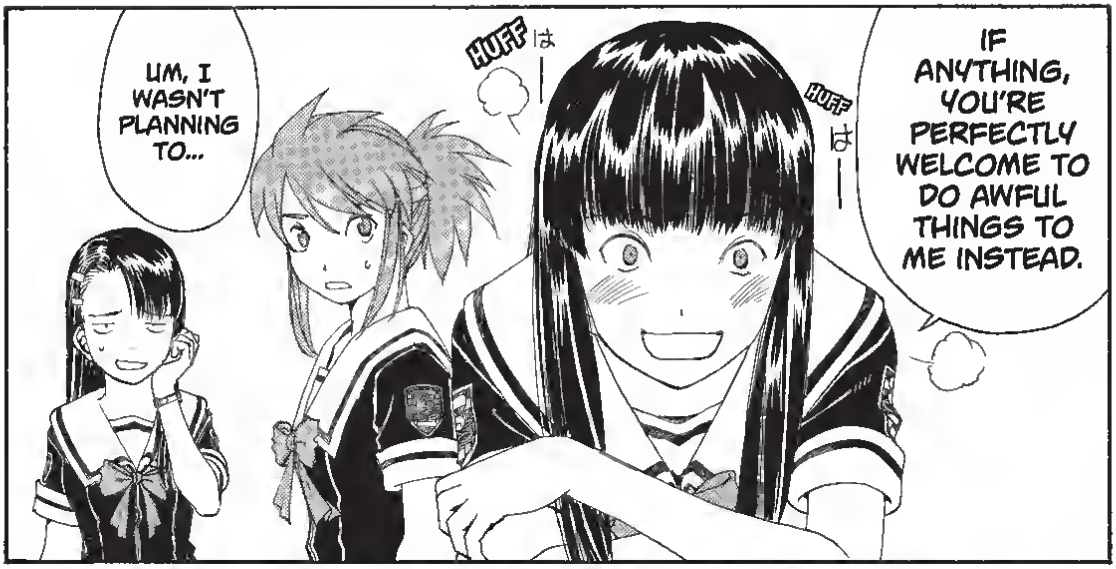


WE DO... WHY?
YES.

OH, DON'T WORRY. I'M NOT GOING TO DO ANYTHING AWFUL TO YOU.



MIHO-MIHO-SENPAI!!



UM, I WASN'T PLANNING TO...
HUFF はー

IF ANYTHING, YOU'RE PERFECTLY WELCOME TO DO AWFUL THINGS TO ME INSTEAD.

HUH? WILL WE NEED OUR SUITS?

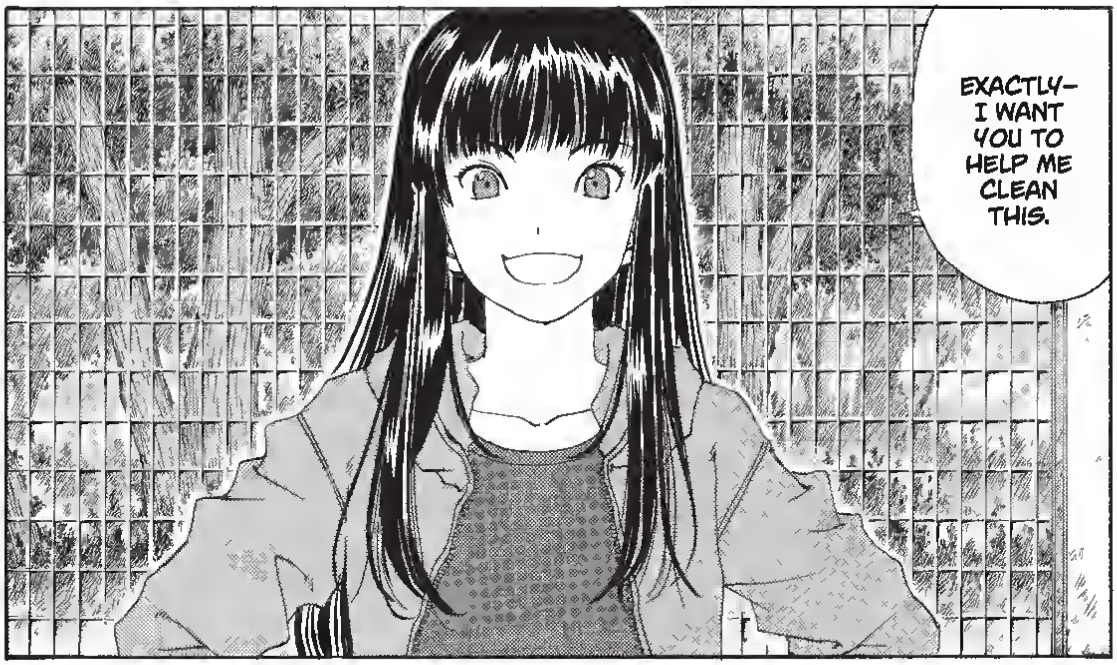
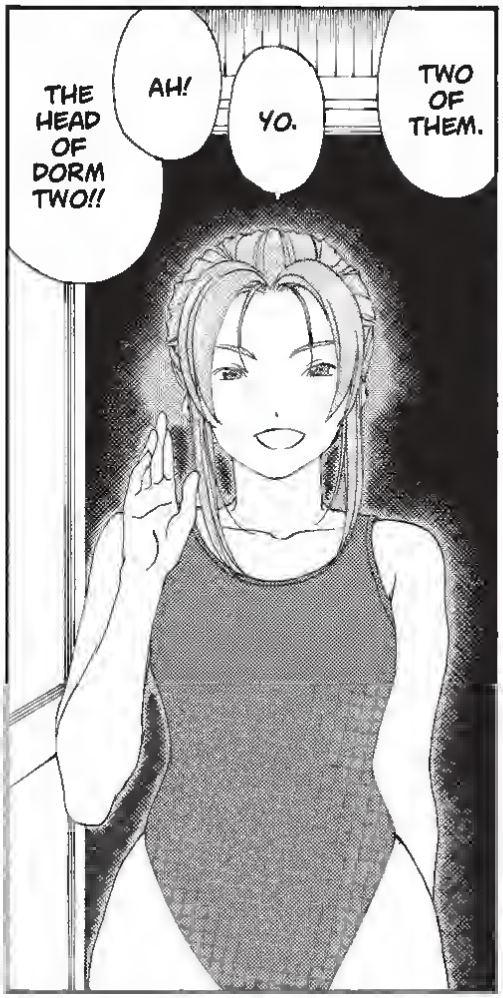
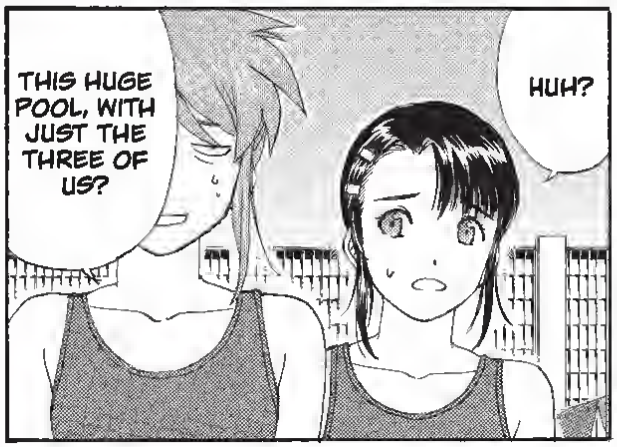
A.K.A. THE "TACHI-BANA SWAMP" !!
THIS IS WHAT HAPPENS AFTER A BIG TYPHOON.
I HAD A FEELING THIS WAS IT.



EXACTLY— I WANT YOU TO HELP ME CLEAN THIS.

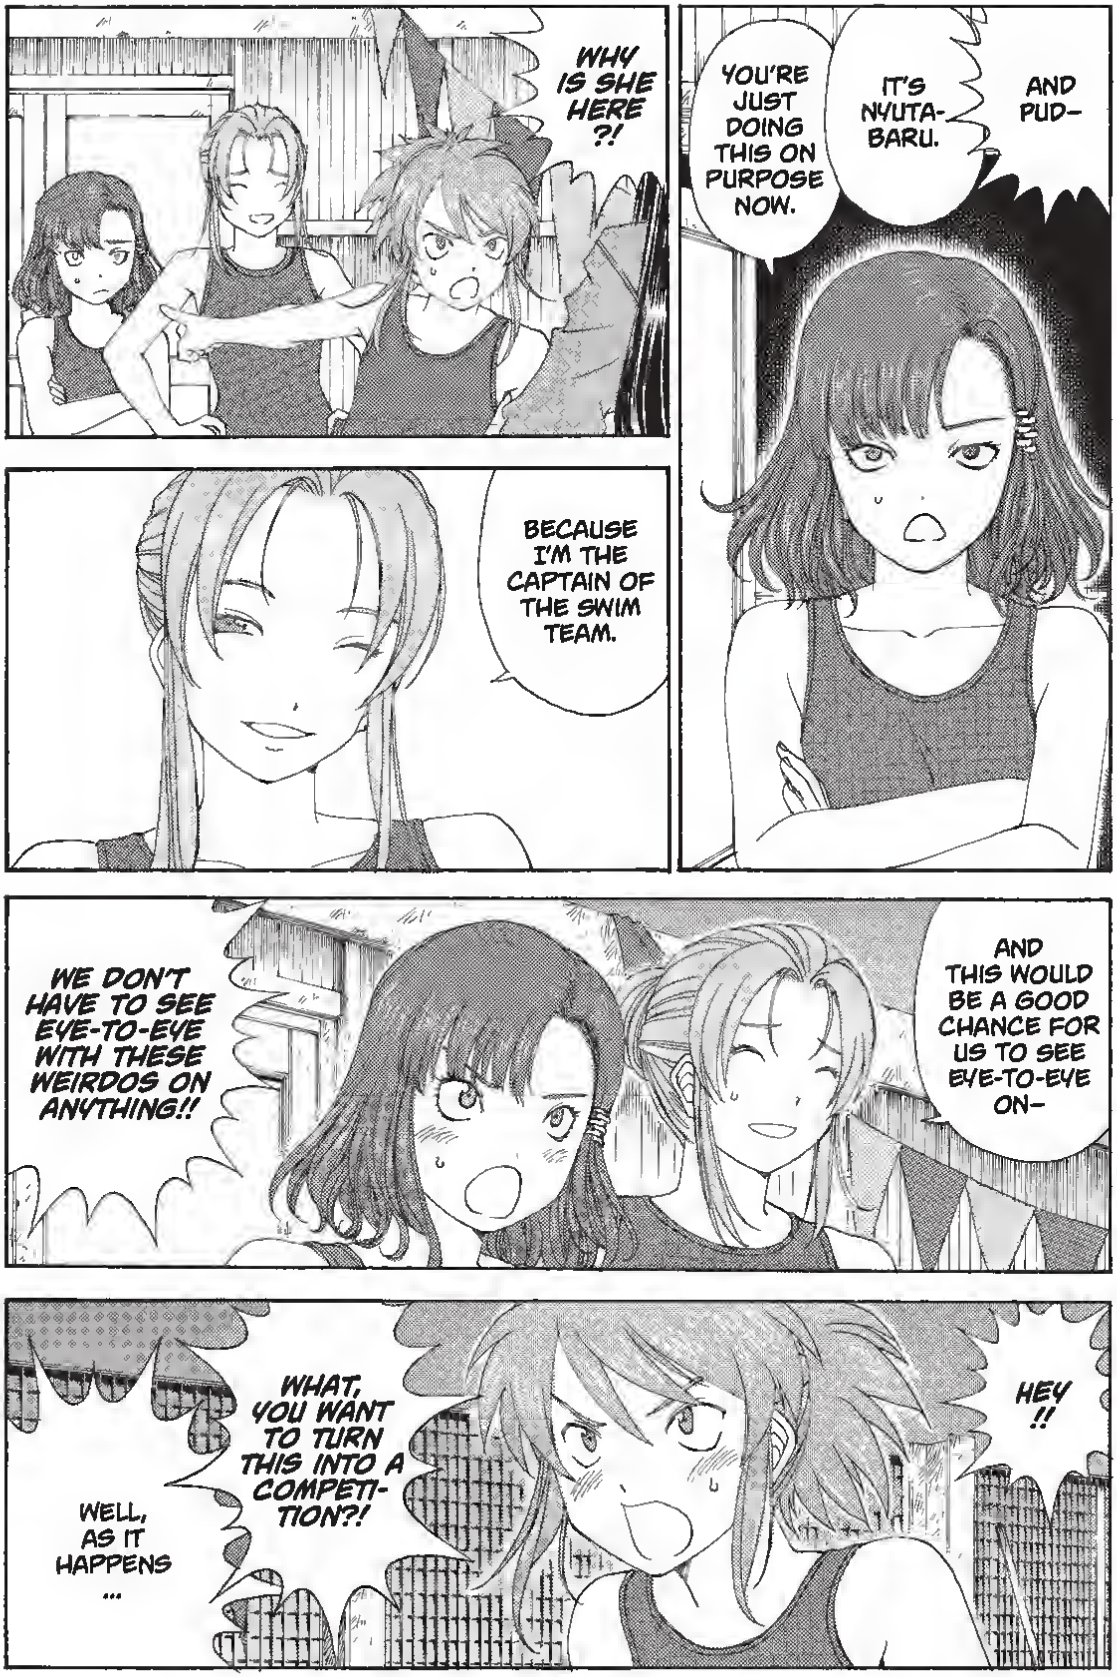


TWO OF THEM.
YO.
AH!
THE HEAD OF DORM TWO!!



HUH?
THIS HUGE POOL, WITH JUST THE THREE OF US?

NOT A CHANCE.
THERE WILL BE OTHERS.



WHY IS SHE HERE ?!
YOU'RE JUST DOING THIS ON PURPOSE NOW.
IT'S NYUTA-BARU.
AND PUD-
BECAUSE I'M THE CAPTAIN OF THE SWIM TEAM.
WE DON'T HAVE TO SEE EYE-TO-EYE WITH THESE WEIRDOS ON ANYTHING!!
AND THIS WOULD BE A GOOD CHANCE FOR US TO SEE EYE-TO-EYE ON-
WELL, AS IT HAPPENS ...
WHAT, YOU WANT TO TURN THIS INTO A COMPETI-TION?!
HEY !!

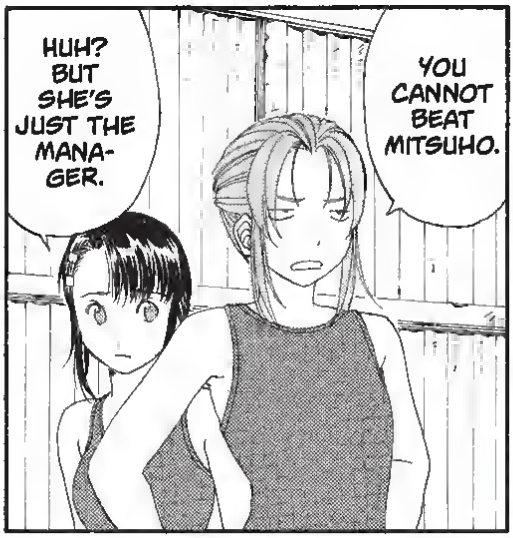
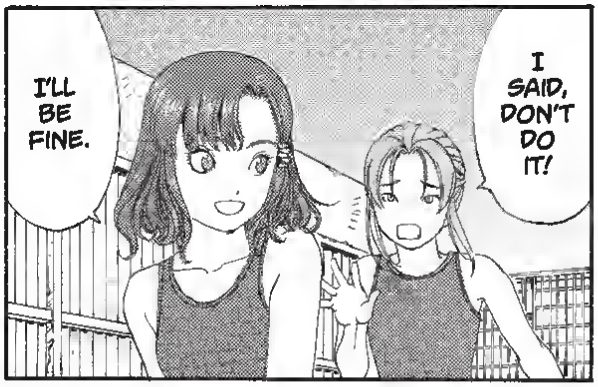
WHAT NOW? WANNA RACE TO BREAK THE TIE?
MMM! IT'S A TIE.

I THINK YOU SHOULD TAKE PART NOW.
SENPAI, YOU'VE BEEN WATCHING ALL OF THIS...
...WITHOUT ACTUALLY PARTICIPATING IN ANY OF IT.
I MEAN, THE POOL'S NICE AND CLEAN NOW.
OH, HOW SILLY OF ME.
STOP! YOU DON'T KNOW WHAT YOU'RE–
A THREE-WAY RACE.
SURE THING !!
YOU'RE JUST THE MANAGER– YOU CAN'T KEEP UP WITH US.

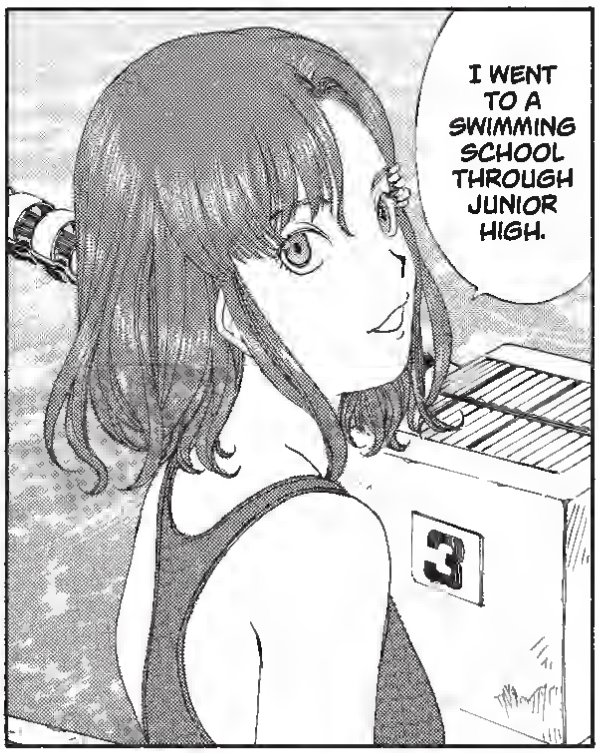
OKAY!



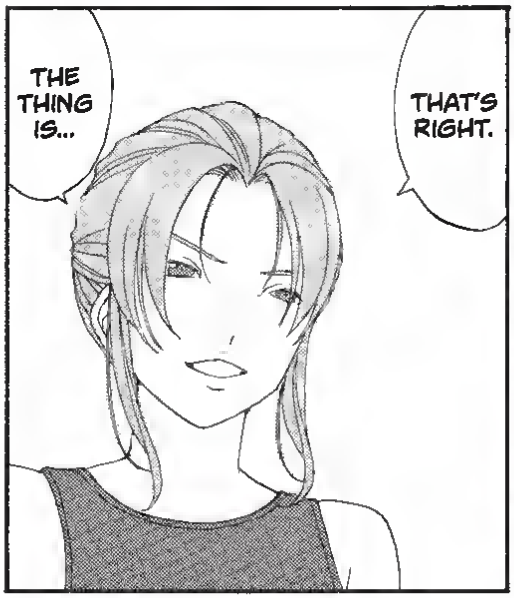
HUH? BUT SHE'S JUST THE MANA-GER.
YOU CANNOT BEAT MITSUHO.



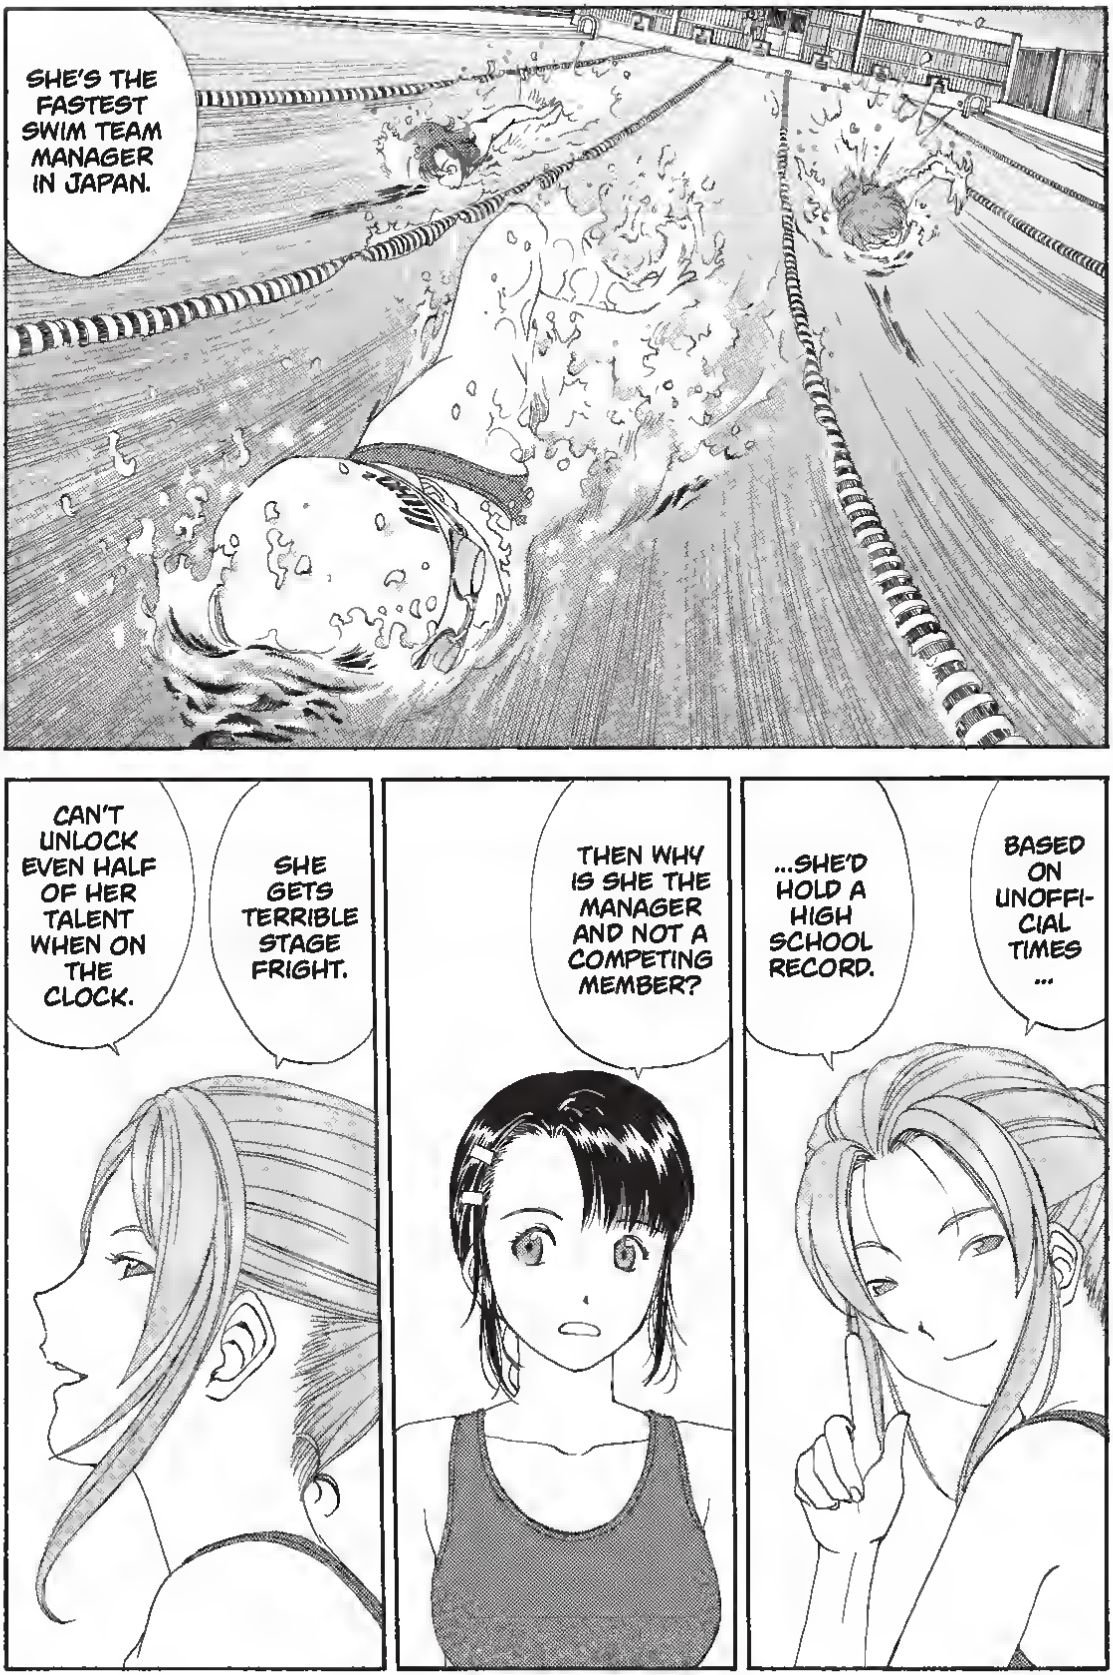
I'LL BE FINE.
I SAID, DON'T DO IT!



I WENT TO A SWIMMING SCHOOL THROUGH JUNIOR HIGH.
3



THE THING IS...
THAT'S RIGHT.



SHE'S THE FASTEST SWIM TEAM MANAGER IN JAPAN.
CAN'T UNLOCK EVEN HALF OF HER TALENT WHEN ON THE CLOCK.
SHE GETS TERRIBLE STAGE FRIGHT.
THEN WHY IS SHE THE MANAGER AND NOT A COMPETING MEMBER?
...SHE'D HOLD A HIGH SCHOOL RECORD.
BASED ON UNOFFI-CIAL TIMES ...

YOU'RE SO COOL !!
MIHO-MIHO-SENPAI ...
BUT WHEN THERE'S NO PRESSURE, SHE SWIMS LIKE THERE'S NOTHING BETTER IN THE WORLD.

Translation Notes:

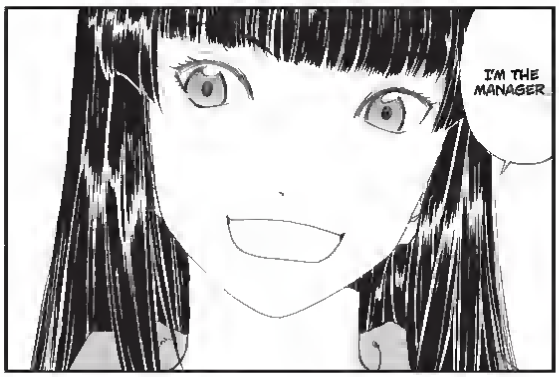
Japanese is a very different language from English, and translation is often more art than science. For your edification and reading pleasure, here are notes on some of the places where we could have gone in a different direction with our translation of the work, or where a Japanese cultural reference is used.

Oh! My Absence

The original Japanese title of episode 10 is "Ah Ssuketo SUMMER" (trans. Oh! Helper SUMMER) which sounds like the Japanese title of Kosuke Fujishima's previous manga, *Oh! My Goddess*. To tie this to the contents of the chapter while also mimicking the manga title as intended, "Oh! My Absence," was used.

Manager, page 15

While in English, the term "manager" in regard to sports implies someone in a leadership or coaching position, in Japanese sports clubs, the term manager refers to a role that is closer to a secretary or "team mom," a student who helps organize the team members, takes roll, launders uniforms, and so on. The manager does not participate in the competition.



Monjayaki, page 17

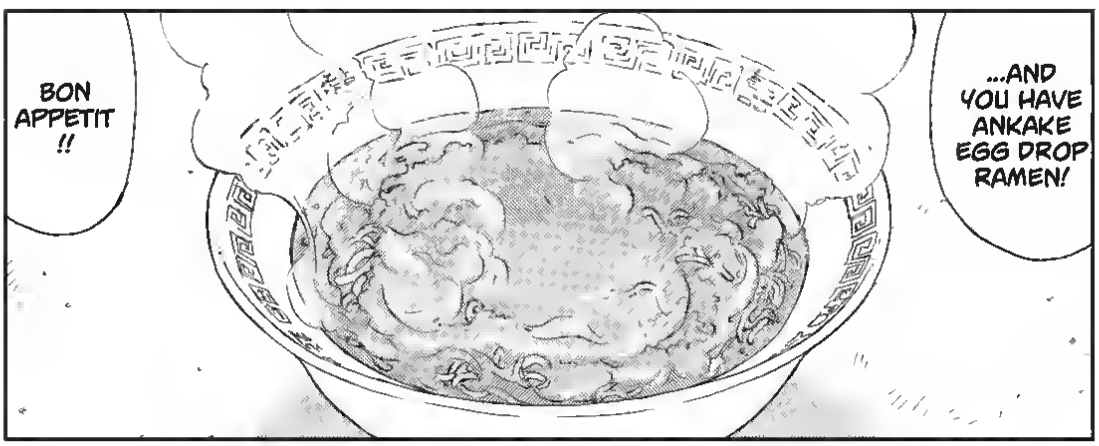
A regional variant of the popular Kansai (Osaka/Kyoto) dish okonomiyaki, found primarily in the Kanto (Tokyo/Yokohama) area instead. Both dishes consist of savory batter and various toppings that are poured onto a griddle and fried like pancakes.

The Pillow Book, page 31

The poem quoted for this problem is the beginning of *The Pillow Book*, a collection of writing by Sei Shonagon, an 11th century contemporary of Murasaki Shikibu, the author of the famous *The Tale of Genji*.

Ankake, page 44

A type of heavy, rich sauce made with potato starch and soy sauce.



Oyakodon, page 46
A dish of chicken and egg simmered and served on top of a bowl of rice. The name literally means "parent and child bowl."

Ochazuke, page 49
A simple dish of tea, broth or hot water poured into a bowl of rice, often with toppings like nori, pickles, wasabi or fish.

Tanuki, page 50
The descriptor for noodle or soup dishes with little pieces of fried tempura batter (known as "tenkasu" or "agedama") added.

Tsundere, page 93
A character archetype found specifically in anime and manga. A tsundere typically has a secret crush or infatuation with another character, but puts up a cold and hostile exterior under most circumstances, so as not to reveal this fact, or feel vulnerable about it.

Katsudon, takoyaki, page 119
Katsudon is a dish of deep-fried pork cutlet (tonkatsu) and egg served over rice. Takoyaki is sometimes colloquially known as "octopus balls" in English, a dish of octopus pieces in a savory batter that is cooked in special spherical pans, then covered with a special sauce.

The Killer is Ya(su), page 142
"The killer is Yasu" is a meme that originated from the 1985 investigation adventure game, *The Portopia Serial Murder Incident*, for the Famicom Console. In the game, the player plays the role of a detective, trying to solve the murder of the president of a bank company. The player is a silent protagonist, so most of the commands are executed by the player's assistant named Yasuhiko (Yasu) Mano. The line "The Killer is Yasu" came from a late night radio show called "Beat Takeshi, All Night Nippon" where the host, famous comedian and director Takeshi Kitano, while playing the game live on the radio, says "The killer's this Yasu guy, ain't it?"

Moé, page 147
Moe is a slang term to describe a person or character whose appearance or behavior is extremely cute and endearing. The Japanese character for moe means "to bud" or "to sprout," perhaps because these objects of affection are often youthful. It is also a homonym for "to burn," so it is equally used as a verb when one's passion "burns" for the object of their affection. Oftentimes, the feelings of attachment to a moe character extend to their quirks and flaws, hence this moment between usual-rivals Hatsune and Nyutabaru.
